## Employee Recognition Ceremony

### Dedication & Employee Excellence in Service 2012

The most defining and visible feature of Amalgamated Security Services Limited is its human capital and this is owed to the dedicated and unflagging support of its personnel and an indomitable leadership. In keeping with this philosophy the Company hosted its annual Employee Excellence in Service Award Ceremony on April 28 2013 and conferred special recognition on employees for their performance, commitment and long service. Awardees were celebrated for Long Service; Merit; beyond the call of Duty and other distinguishable attributes that contributed to the Company's unrivalled performance.

Founded in 1983, ASSL is a regional privately-owned Security and Risk Management Company with subsidiaries in Grenada, Barbados, St. Lucia, Guyana and Jamaica. With more than 3,000 employees on roll, the Company continues to expand and diversify throughout the Caribbean and courts a formidable client base comprising of both the state and corporate sectors. We invite the readership to join with us in formally recognizing our employees.
