## Chairman's Remarks

Your loyalty and support over the years is greatly appreciated. It is your continued efforts and support which have allowed us to overcome the challenges, convert opportunities, and unite to deliver profitable outcomes.

This is not to say that we can lose sight of our focus on continuous improvement. By continuously challenging ourselves, and striving to deliver quality projects, on time and within budget across all levels, we will continue to pave the way towards a prosperous and sustainable future of ASSL.

As our most valuable assets, I would like to take this opportunity to thank you for your continued commitment, loyalty and support, and I look forward to working together with you for many years to come.

Our opportunities are significant – with you delivering excellence in service our future is looking bright.
