

THE CHAIRMAN'S Special AWARDS 2017

Amalgamated Security Awards Top Performers At Its Christmas Party

Amalgamated Security Services Limited (ASSL) hosted over 300 guests at its annual Chairman's Special Awards Ceremony and Christmas Party, this year at the Five Islands Amusement Park, Chaguaramas. Attendees enjoyed the many attractions and rides this unique location has to offer whilst also being entertained by Gervais' Mello Strings, a local parang band. The atmosphere at the event was both, festive and cheerful, a true manifestation of the Christmas spirit. 10 Top ASSL Performers were recognized in front of their executives, senior management, colleagues, friends and family.

During this formal part of the evening, ASSL's Chairman Dr. Michael Aboud (Honorary) acknowledged not only the awardees with applause but every member of the ASSL family throughout the Caribbean region for their unwavering dedication to the delivery of service in excellence. He reminded every employee, no matter what rank, that commitment, responsibility, productivity, and accountability are some of the pillars ASSL's success is built upon and some of the reasons that ASSL will continue to thrive in 2018.
