## CELEBRATES EXCELLENCE IN SERVICE

### South Region

Amalgamated Security Services Limited (ASSL) recently hosted its Annual Awards Ceremony during which the company's dedicated Top Performers and Long Service Employees were recognized. The event was held at the Amalgamated Security Services Conference Centre in Chaguanas where ASSL's Chief Executive Officer, Mrs. Pamela Hosein, reiterated that "the backbone of our success is you, our employees, and your unwavering commitment to the ideals of Amalgamated Security. It is with gratitude that we extend our sincere thanks for your many years of service in excellence and your unparalleled dedication to making our vision, mission and values a reality. We could not have become the region's premier provider for private security and risk management solutions without you. For 2019 and beyond we are looking forward to continuing the success story of the ASSL Group of Companies, together with you, in all countries that we serve. Congratulations to all our awardees, we are proud of you."
