## **“For Total Protection since 1983”**

Founded in 1983, out of Michael Aboud’s vision and determination to establish a company that provides innovative and exclusive solutions tailored to the security industry and its clientele, Amalgamated Security has emerged into mighty security. Eight years later Mr. Aboud started the tradition of honoring employees for their dedicated service.

At this juncture, we take the opportunity in welcoming you to the 27th Annual Employee Recognition Function, Time & Excellence in Service.

In the 36 years of providing security personnel and life-saving products and services across the length and breadth of Trinidad and Tobago and the wider Caribbean, we take time to look back over those years, and thank those who continue to serve our clients with ‘Total Protection’.

As we face the coming decades, let us renew our commitment to providing quality service to our customers.

Congratulations to all award recipients and thank you for your continued service!
