# *Celebrating Time and Excellence in Service*

Amalgamated Security Services Limited (ASSL) has been and remains the widely recognised leader in the expanding field of security and public safety services across Trinidad and Tobago, the Caribbean, and internationally. Built on the vision and entrepreneurial spirit of its Founder and Executive Chairman, Dr. Michael Aboud (Hon.), the company has grown over more than four decades from a single bold idea into one of the region's most trusted names in *Total Protection*.

Since its establishment in 1983, ASSL has remained steadfast in its mission to deliver innovative, comprehensive security solutions expanding its capabilities across a wide range of services including Manpower and Guard Services, Electronic Security and Integrated Systems, Cash and Courier Services, Risk and Investigative Services, Cyber Security and Digital Solutions, Ambulance Services, Correctional Services, and more. This breadth of service reflects a long-standing commitment to protecting people, assets, and communities across every sector of society.

Central to our identity is the belief that our people are our greatest strength. It is in that spirit that we proudly welcome you to the **35th Annual Employee Time and Excellence in Service Awards** — a cherished tradition that Dr. Aboud established to honour the dedication, loyalty, and outstanding contributions of our employees. This recognition programme, a cornerstone of our company culture, celebrates the men and women whose years of service have helped shape ASSL into the organisation it is today.

As we honour this year's recipients, we also extend our deepest gratitude to every member of the ASSL team across Trinidad and Tobago and throughout our regional operations in Antigua, Barbados, Grenada, Guyana, Jamaica, St. Lucia, St. Vincent, and beyond whose professionalism and integrity uphold the standards our clients depend on every day.

To all awardees: your commitment exemplifies the values at the heart of ASSL. May your achievements inspire colleagues across our organisation as we look forward with renewed purpose, pride, and a shared dedication to excellence in service.
